

There are many online support groups and forums for people with epilepsy and their families. These are a select few:

URL	Information
EAA Epilepsy in Memoriam https://www.facebook.com/epilepsyinmemoriam	Dedicated to people who have lost their lives due to epilepsy, & to family & friends who need to find the comfort & support. This is a group for those who have lost someone due to epilepsy
EAA Oz-E-Youth Facebook Group To join contact 1300 37 45 37 or email epilepsy@epilepsy.org.au for approval	A closed group for people aged between 16-24 years. This page is a safe space for young adults with epilepsy to connect & keep in touch, share pictures & stories & provide support to one another..
Forum4e https://forum.epilepsy.org.uk/	An online community for people with epilepsy & carers (over 16yrs) of people with epilepsy. You can read other people's ideas & thoughts, ask & answer questions, chat, blog about your condition & how it affects you.
My Epilepsy Team https://www.myepilepsyteam.com/	A social network for people living with epilepsy. You can get peer support & connect with others to share daily ups & downs in a judgement-free place.
Patients Like Me https://www.patientslikeme.com/conditions/epilepsy	Make helpful connections, learn, and be part of a safe community. Ask questions that matter to you – & get crowd-sourced answers that help you move forward.
Siblings Australia http://siblingsaustralia.org.au/siblings/connect-withother-siblings	Offers several ways to connect with other siblings, both online & face to face: <ul style="list-style-type: none"> • SibChat on Facebook – a closed group for adult siblings, • SibChat discussion forum – an online discussion board • Face to face peer support groups – in most capital cities
Australian Women with Epilepsy https://www.facebook.com/AustralianWomenwithEpilepsy	Connects Australian women living with epilepsy, & those who love & support them.
Parents of Children with Epilepsy – Australia https://www.facebook.com/groups/1754064888206078	Connects parents raising children with epilepsy
